

Hello Hawk Families,

Registration is now open for High School and Middle School Football for the 2024 Season. Below is important information. This information will also be covered at the Parent Meetings.

REGISTRATION INFORMATION

All players will register via TeamSnap.

There is a separate registration form for Middle School and High School, so please click on the correct link below when registering your child.

2024 Fees are \$600 per player.

There is the possibility to have this fee waived. Please see the Sponsorship information below.

The HGIC will pay the TeamSnap Credit Card processing fee.

The fee can be paid in whole when registering or it can be broken down into three payments.

At least one payment of \$200 must be paid before spring practice begins and is non-refundable.

If a full pay is completed and a refund for the remaining \$400 is needed, it must be requested by 7/29/24.

GAME VOLUNTEER DEPOSIT

There will be a \$150 Game Day Volunteer Deposit.

This can be submitted as check made out to the HGIC or through square here:

[Game Day Volunteer Deposit](#)

The check will not be deposited and will be returned upon two **game-day** shifts worked per player.

Payments made to square will be refunded when the shifts are worked.

If not worked by the end of the last game (whether its high school, middle school or GMSAA championship), the check will be cashed.

DOCUMENTATION

High School documentation including physicals must be uploaded via ParentVue.

Middle School documentation including birth certificate, physical, proof of residency and waivers will be uploaded to TeamSnap.

SPONSORSHIP WAIVER

The full registration fee of \$600 can be waived through obtaining one sponsor utilizing the sponsorship opportunities. This is available for all 6th-12th grade players.

The sponsorship must be a new legal business entity to the HGIC. A personal donation cannot count for a registration waiver.

The list of previous sponsors provided at the end of this email will not count towards a registration waiver.

If the sponsorship is a family business, the payment must come from the business entity, not a personal payment from an individual including the parent.

Sponsorship payments will be taken by check to the HGIC or online through Square.

Square Link to Available Sponsorships:

[Hillgrove Sponsorship Opportunities](#)

If you sell a sponsorship opportunity to waive the registration fee, please contact Jeff Crimm, President HGIC.

More information will be available at the Parent Meetings.
